

We are sharing the names of Donors who have contributed for **Samaj COVID 19 Relief Fund**. Our Thank You is not enough for these people who have extended their hand at the time when many Samajjan are going through tough time.

There have been many more silent contributors as Well Wishers who have been contributing.

Its really heartening to have such people who understand the work we do and importance of providing support at the right time. This has helped many Samajjan's sail through these difficult times.

THANK YOU all once again !!
